

The opening of
Stephens Hall
October 11, 2002

*The work of art unpins everything,
undoing us in the process.* "Fischer"

The opening of
STEPHENS HALL

A building linked to the history of the Missouri Conservation movement has been renovated for state-of-the-art life science laboratories. Lin Randall, Jerry Hazelbauer and the Department of Biochemistry invite you to a celebration of the past and the future of Stephens Hall.

1 pm Friday October 11

Lawn west of Stephens Hall
RSVP call: 573-882-3846 or
email: rsvpcafnr@missouri.edu

Building Open House: 2 - 5:30 pm
RSVP not necessary
